

Brandon Jarrett/Music Producing and Production

Brandon has been fortunate enough to produce for projects involving **Disney, Radio Disney, Sinbad, Paul Rodriguez, Comedy Central, TLC Network, Michael Jackson, The Dreams Come True Foundation, Tracey Bregman** and many more. He's most recently written and produced Ashley Argota's debut CD, "**Ashley**".

Ashley is one of the stars of the new **Nickelodeon series, "True Jackson, V.P."** The show is a hit with kids across America and Ashley's CD is available in stores and iTunes. Brandon has a state of the art Pro Tools HD studio with top of the line outboard compressors, effects and microphones for record quality products.

He can produce music arranged to your events needs to accompany dancers, vocalists or backing tracks for a band or orchestra. He also has been know for creating a custom tailored theme song for your event to make it extra special for your clients attending. He has done this for clients like AT&T, Radio Disney and The Orlando Citrus Bowl Parade. Adding that personal touch to your event is just the thing that will make your event unforgettable!
