

Kat is a sunshine state native. Born and raised in Orlando, Florida she began her career right out of High School assisting Disney's choreographer, **Myles Thoroughgood** in the **Jim Henson** series "**Animal Jam**". She went on to begin her travels dancing for **Celebrity Cruise Line**, sailing from Quebec all the way down the Atlantic coast and throughout the Caribbean. Soon after, she found herself in Miami dancing for Las Vegas's #1 tribute show, "**Legends in Concert.**" Kat was born to move, so while on a world tour with **Regent Seven Seas**, Voyager (Conde Naste #1 rated ship) her top adventures included, 4 wheeling through South Africa's Namibian dunes, exploring the grand city of Shanghai, spending the weekend on the Nile river while visiting the Pyramids, and zip lining through the Costa Rican jungle!

After intense training in Los Angeles, Kat began her aerial career performing at **Ed Hardy's** Hollywood party for designer **Christian Audigier's** 50<sup>th</sup> birthday. While swinging 30ft in the air, artist **Snoop Dog**, **Fergie**, and the King of Pop, **Michael Jackson** performed on the stage right below her. She now performs as an Aerialist on the Lyra, Tissue, Bungee, and a variety of other apparatus in the air.

After a few years in LA she made the move to Las Vegas to open the Vegas branch of Tribute Productions and has performed all over the strip. Some of her credits include dancing for **Disney Channels Raven Simone**, assisting on the **Glee Live Tour**, "**Legends in Concert**," "**Monster Circus, Featuring Dee Snider**," and "**Vegas! The Show.**" One of her most exciting shows was performing as an aerialist above the crowds of the legendary **Freemont St.** In 2010 she spent the summer touring the greatest cities in China as an Aerialist for **Ballantines Whisky.**
